34th Annual Meeting of

The Eastern Neuroradiological Society

August 18 - 21, 2022 • Hilton Burlington Lake Champlain • Burlington, Vermont

Letter from the Program Chair

On behalf of the Eastern Neuroradiological Society (ENRS), I would like to invite you to join us for the 34th Annual Meeting of the Society held on August 18 – 21, 2022 in beautiful Burlington, Vermont.

The ENRS is an inclusive society of over 200 neuroradiologists, neurointerventionalists, pediatric neuroradiologists, and radiologists from the Eastern United States and Canada with interests in disorders of the brain, spine, and head and neck. It also draws imaging scientists, medical students, and radiology residents and fellows. The ENRS 2022 program will provide in-depth lectures covering essential topics in the central nervous system and updates of the most recent developments by phenomenal speakers in our society, as well as scientific paper presentations with live discussions. Each day is focused on topics in Head and Neck, Brain, Pediatrics, Spine, and Neurointervention, with Breakfast & Learn and Lunch & Learn sessions. After 2 years of being physically apart, we are looking forward to coming together again for a fun and friendly competition in the “Stump the Stars” Jeopardy game just before the annual gala dinner.

The meeting location cannot be more perfect, as Vermont is green, friendly, progressive, and a cool place to be in the sizzling summer days of August. Burlington is a vibrant city located along beautiful Lake Champlain. The conference venue is nestled between the lake and the Burlington historic downtown area. Participants are encouraged to bring their family and friends and enjoy a bike ride on the Burlington bike path following the shoreline, a sailing trip on the lake, or a stroll through the picturesque historic Burlington downtown. All are easily within reach in a 5-minute walk from the hotel.

Whether you are a history buff, food connoisseur, or art aficionado, Burlington has something to offer for everyone. Ice cream lovers should consider visiting the Ben and Jerry's ice cream factory, which is a 30-minute ride from Burlington.

Following the tradition of in-person meetings from previous years, we look forward to starting the Annual Meeting with a welcome reception on Thursday evening, and the annual gala dinner on Saturday evening. This meeting has always been an intimate, family-oriented, and casual event that offers the opportunity to network with colleagues in a friendly environment, and interact with nationally and internationally recognized physicians who are experts and leaders in neuroradiology. We encourage our industry partners to attend our welcome reception where there can be an exchange innovative ideas with faculty and ENRS members. Additional opportunities to meet members occur during daily continental breakfasts and refreshment breaks. The Technical Exhibit area is located in the center of the meeting activities, maximizing your interaction with attendees.

This is the time for us to reconnect and recharge. Please join us for this exciting educational and social experience. We look forward to partnering with you and seeing you in Burlington!

Sincerely,

Doris D.M. Lin, M.D., Ph.D.

ENRS Vice President/President-Elect and Program Chair

Hilton Burlington Lake Champlain
Burlington, Vermont

FOR ACCOMMODATION INFORMATION
Please visit our website: enrs.edusymp.com

\$259 per night
(single/double occupancy)
Reserve by Sunday, July 17, 2022
